To Whom It May Concern,

I am pleased to have this opportunity to recommend Mike Schepker. Mike was my student teacher during the first semester at Fort Zumwalt South High School. It was a privilege to have him in my classroom and to get to know such a fine young man.

Mike is a hard, tireless worker. In order to be prepared he would arrive at school early and stay late. He is very dedicated to student achievement, and is bright and knowledgeable about the subject being taught. I found Mike to have strong organizational skills with lessons and materials.

Mike is a very personable, intelligent, and caring individual. One of his best qualities, I found, was his ability to bring out the best in individual students. Overall, my personal experiences with Mike have been very rewarding. He will no doubt be an asset to education and the students he encounters throughout his years as an educator.

Sincerely,

Don Morris
